Presidents Message

Hello Chapter 2,

Well summer is here and the weather is beautiful as long as you don’t need a glass of water. Yes we have a major water drought in California and our Governor is taking quick action to solve the problem with no spared expense. His solution for this issue would have to be the most out of the box thinking to date in the history of man. He is building a High Speed Rail thru the center of the state linking Southern California to Northern California which will bring relief to the drought stricken farmers.

This project with a plan cost of 68.4 billion for the first phase and no timetable or budget for the second phase is a gleaming example of how Californians get things done.

Looking at all the issues we face together now more than ever all IFA members need to participate in working together in solving our community problems and issues.

Please contact your chapter offer your help with the community projects.

Have a great rest of the summer BBF to you all.

Chapter 2 president

Brad
Grand Director’s Message:

On vacation.

Grand Director
Tommy Amason

Secretary/Treasurer

Footprinters,

Our membership stays strong with very little turn-over. However, we are looking for new ideas to help our Chapter grow in the direction of Law Enforcement support. One possible may be to donate to the local Fire and Police Explorers. If you have any ideas let us know and it will be considered.

As some of you may know, I have been the Grand Secretary/Treasurer for the past ten years. For health reasons, I resigned my position effective July 1, 2015. However, my Secretary/Treasurer position for Chapter 2 Los Angeles will remain the same.

Joshua J. Cullins  
Tuesday, October 19, 2010  

**Cullins, Joshua J.**  
**Rank:** P.O. II  
**Serial Number:** 39542  
**Division:** Central  
**Location:** Helmand Province, Maria region, Afghanistan  
**Date Killed:** October 19, 2010  
**Cause of Death:** Killed during Military Deployment in Afghanistan.  

**Bio:** Officer Cullins was on military leave assigned to the 1st Explosive Ordnance Disposal Company, 1st Marine Logistics Group, and Marine Expeditionary Force. His unit was responsible for going out and dismantling or detonating IED's. In the first 10 months of 2010 132 Marines had been killed in Afghanistan and 18 killed in October alone. Despite this Officer Cullins went out to accomplish his mission every day. Officer Cullins had been called out to investigate a previous IED blast when he was killed by a secondary device at that location.

**Footprinter Slogan,**  

*Our slogan, "For Bigger and Better Footprints", relates to both the symbol and purpose of our organization. Our symbol, Robinson Crusoe finding Friday’s footprints on the beach, depicts the beginning of a relationship that ultimately leads to excellent cooperation between Crusoe and Friday.  
This type of cooperation between everyone involved in law enforcement and all law enforcement agencies, as well as private citizens, business and professional people, was the goal of the original eleven Footprint organizers back in 1929.*

Rev June 06, 2012
Hi I am Bob Hubbell the newly elected Grand President for the International Footprint Association. If you are viewing this website for the first time please feel free to browse through all of the information and view the pictures. If you have a desire to support law enforcement and would like to join our organization, fill out the application found on this website or call 1-877-IFA-Foot and we will gladly accommodate you as quickly as possible and let you know the location of a chapter closest to you.

For our current members, I want to give you an update on my activities so far this year. Remember, the theme for my year as Grand President is “Remember the Past, Embrace the Present and Build for an Extraordinary Future.” It is my intention to use this theme as a road map to move IFA in a positive direction. I have some ideas to make us a more cohesive and stronger organization that will keep us successful and continue the proud history we have established. As an example, in an effort to improve the communication between all the Chapters and the Grand Chapter, this “President’s Message” will be published each quarter.

Additionally, I will be traveling to other chapter events and district meetings to give progress reports and solicit their support for new programs. On July 19, 2015, I visited Carson Valley Chapter 72 and attended their Member Appreciation Picnic at the Aspen Mobile Home Park in Gardnerville, Nevada. I was honored to lead the swearing in ceremony for their new officers and directors. The location was perfect, the weather was great and there were approximately 65 people in attendance who enjoyed a BBQ prepared by the Lion’s Club. After the BBQ, Bingo was played but most importantly,
everybody was having fun! Thank you Ray Hoyt for inviting me and thank you to the members of Chapter 72 for your hospitality. It was an enjoyable day!

Currently on my calendar I have scheduled the following: On October 3, 2015, I will be attending a District 3 meeting in Bellingham, Washington and on November 21, 2015, I will be attending Chapter 44’s 39th annual Law Enforcement Awards Banquet in Lincoln, Nebraska. I would like to attend other Chapter meetings or events so please let me know the date, time and location.

One new program that I presented to Chapter 72 involves donating money to the Law Enforcement Memorial in Washington DC. I would like to see IFA identify with a common project where all chapters can point to as a common cause. The objectives of the Memorial Foundation are similar to IFA.

The National Law Enforcement Officer’s Memorial is the nation’s monument to law enforcement officers who have died in the line of duty. Dedicated on October 15, 1991, the memorial honors federal, state and local law enforcement officers who have made the ultimate sacrifice for the safety and protection of our nation and its people. The memorial features two 304-foot-long blue-gray marble wall carvings. Inscribed on these walls are the names of more than 20,000 officers who have been killed in the line of duty throughout U.S. history, dating back to the first known death in 1791. Unlike many other memorials in Washington, DC, the National Law Enforcement Officers Memorial is ever-changing; new names of fallen officers are added to the monument each spring, in conjunction with National Police Week. Also, the National Law Enforcement Memorial Fund is raising money towards a museum. The space will hold thousands of artifacts with the idea of building a bridge between law enforcement and the community. Permits have been obtained and they plan to start the project in September of this year. I believe this is a wonderful organization to financially support and to that end, I will be traveling to IFA District and Chapter meetings to solicit their support. It is my hope that each IFA Chapter participates by making an annual donation up to $100.

If you have any questions or suggestions, please call me at 805-709-8205 or send me an email at bobhubbellre@yahoo.com.
